Beckstoffer To Kalon | Iconic wine comes from iconic vineyards, and Beckstoffer To Kalon is one of the most iconic first-growth vineyards in the world. Greek for “highest beauty,” To Kalon is lined with various Cabernet Sauvignon clones resulting in it’s signature “spice box” of flavors and producing opulent, coveted vineyard-designated wines.

Oakville AVA | Found on low-lying flatlands between the Mayacamas and Vaca Mountains, Oakville AVA is rife with well-drained gravel soils, producing Bordeaux varietals rich in texture and firm, approachable tannins. A vinicultural treasure, Oakville’s warm climate, unique soil composition and topography are ideal for growing renowned Cabernet Sauvignon.

Vintage Notes | Defined by abundant winter rainfall and mild summer temperatures, the 2023 vintage saw one of the longest harvests in recent Napa history. An extended ripening period allowed grapes to develop remarkable concentration while preserving vibrant natural acidity and aromatic purity. The resulting wines are deeply expressive, offering exceptional freshness, refined structure, and polished tannins. Widely regarded as a benchmark vintage, 2023 combines immediate appeal with the balance and pedigree for decades of cellaring.

Accolades

Jeb Dunnuck, 98+ | Coming from unquestionably one of the greatest terroirs for Cabernet Sauvignon in the world, the 2023 Cabernet Sauvignon Beckstoffer To Kalon Vineyard is deep purple-hued with the classic exuberant, sexy perfume of the site front and center. Crème de cassis, flowery incense, exotic spices, mint, subtle chocolate, and violet notes all shine here, and it's full-bodied, with a pure, layered, multi-dimensional mouthfeel, flawless integration of its tannins, acid, and oak, and a gorgeous finish. It will benefit from 5-7 years of bottle age if you can keep your hands off. Drink 2030-2055.
